

## Dynamic Fixed Income CEF Strategy

### RAREVIEW CAPITAL'S DYNAMIC FIXED INCOME CEF STRATEGY NAMED FINALIST IN SMARTX VIRTUAL AWARDS

Las Vegas, NV, February 9, 2022—[Rareview Capital](#) is honored to have our [Dynamic Fixed Income CEF Strategy](#) named as a finalist for the Fixed Income Strategy of the Year on the SMARTX Advisory platform.

Each year, SMARTX Advisory Solutions highlights the leading investment firms on the platform through a quantitative screening process, resulting in the SMARTX Virtual Awards. With almost 1,000 strategies in the running this year, SMARTX has created 11 categories and selected 33 finalists. The winner will officially be announced on **Wednesday, March 2, 2022**.

The [Rareview Dynamic Fixed Income CEF Strategy](#) has a five-year track record and was added as a model portfolio on SMARTX in March 2021. The strategy seeks to combine the traditional benefits of a dynamic fixed income strategy with the non-traditional advantages of closed-end funds.

"A seminal investment issue for investors is how to find sufficient income in a low interest rate environment while balancing risk. Most traditional fixed income products had negative performance in 2021. Conversely, our strategy delivered a double-digit return. It underscores our ongoing commitment to seek to deliver attractive risk-adjusted returns and a high distribution yield for our investors in all market environments. After a rigorous evaluation process by SMARTX, our selection as a finalist, should provide investors with a high degree of confidence that they are investing in a sound income solution." – [Neil Azous, Chief Investment Officer](#)
